

## Sunflower Song

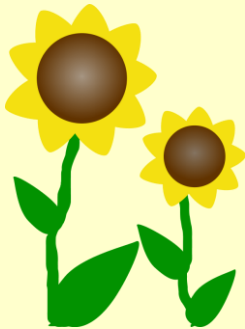

Have children stand with their arms out acting like their head is the flower head, their body the stem and their arms the leaves. Have them move as you sing.

### My Sunflower

Tune: Wheels on the Bus

My sunflower grows tall and straight,  
tall and straight, tall and straight.  
My sunflower grows tall and straight,  
by my garden gate.

My sunflower turns to the east,  
to the east, to the east.  
My sunflower turns to the east,  
When the sun comes up.

My sunflower turns to the west,  
to the west, to the west.  
My sunflower turns to the west,  
When the sun comes down.
